ADA Lux-

I'm writing to make sure that the [REDACTED] case is still scheduled to proceed tomorrow, November 6th, 2009. If it is, I'm wondering if you are going to really need me there at 8:30 as the summons indicates or if I should show up at a set time later (I know that some judges are sticklers about being there at the beginning of the session while others just want us to be there by the beginning of second call). If there is a decent chance she may plea, you could also have me on call (I'm guessing it would probably take me 1hr -1h15m to get there from when I got the call at work). Finally, since none of the chemists here have been to Orange District Court, I am curious if it fairly easy to find (I do have directions from Google maps) and what the parking situation is there. Thank you for keeping me informed.

Respectfully,
